1. This is a recommended list. Please **label all articles**.
2. During the last number of summers, there has been a huge uptick in Zebra mussels in the lake. Water shoes, flip-flops, or crocs are highly recommended for swimming to prevent getting cut up while in the water.
3. Please pack sufficient clothes for the camper's entire stay at camp. **Laundry facilities are not available for campers.**
4. We are a NUT FREE facility.
5. **ALL medicine brought by a camper MUST be in its original container and will be entrusted to the Nurse upon arrival.**

## PLEASE DO NOT BRING:

Cigarettes, vapes, alcohol, non-prescription drugs, electronics of any kind, video games, chewing gum, unwholesome literature, inappropriate clothing

All lost and found items not claimed one week after the last week of camp will be taken to the Riverton Thrift store.
